

# Fall Hedgehog Craft

## Fall Leaf Hedgehog Craft Supplies:

- Free hedgehog outline template printable
- White cardstock
- Printer
- Colored cardstock
- Crayons
- Leaves (cut off stems)
- Glue stick
- White glue
- Scissors
- Googly eye
- Small pompom

## Directions:

1. Download and print the free hedgehog craft printable on white cardstock.
2. Color in the hedgehog brown (or whatever colour your child chooses). Then cut it out and use a glue stick to glue the template on a colorful cardstock sheet.
3. Place white glue all over the hedgehog template EXCEPT for on the face.
4. Layer the leaves on top of the glue until all the glue is covered. You may need to add extra glue to help keep the leaves in place.
5. Glue on the googly eye and the pompom for a nose.
6. Let it dry and place on display! 😊
